THE SUNDAY OF THE WORD OF GOD (3rd Sunday ordinary time) *The Congregation for Divine Worship gives us its reflexions.*

The Sunday of the Word of God, instituted by Pope Francis and to be held every year on the third Sunday of Ordinary Time, reminds us, pastors and faithful alike, of the importance and value of Sacred Scripture for the Christian life, as well as the relationship between the word of God and the liturgy: "As Christians, we are one people, making our pilgrim way through history, sustained by the Lord, present in our midst, who speaks to us and nourishes us. A day devoted to the Bible should not be seen as a yearly event but rather a year-long event, for we urgently need to grow in our knowledge and love of the Scriptures and of the Risen Lord, who continues to speak his word and to break bread in the community of believers « .

- 1 - Through the proclaimed biblical readings in the liturgy, God speaks to his people and Christ himself proclaims his Gospel; Christ is the centre and fullness of all Scripture, both the Old and New Testaments.
- 2 - The arrangement of the biblical readings laid down by the Church in the Lectionary opens the way to understanding the entirety of God's word.
- 3 - We must realize the importance of Sacred Scripture for our life as believers, starting from its resonance in the liturgy.

«Missionary disciples»

The Gospel reading on this Sunday presents the beginning of Jesus' ministry: the proclamation of the Good News, the invitation to conversion and the call of the first disciples. Jesus always invites us to follow him and to become "missionary disciples".

It is where we are, in our environments of life, work or our families, that Jesus calls us and sends us. That's where our mission is. Are we going to respond to that?

«The kingdom of God is at hand.»

Yes, it is true, the time is short. God is there, at the door of our Heart, today, and he knocks. Our world and our Church need credible witnesses to God's presence and love. He does not choose perfect people for his mission. He makes them capable by calling them to follow him. Do we agree to leave our nets to answer him?
