Limits	<i>Where physical distancing can be maintained</i>	<i>Where physical distancing can be maintained</i>
Green – Prevent 	Capacity limit: • indoors: 30% capacity • outdoors: 100 people	Capacity limit: • indoors: 50 people • outdoors: 100 people
Yellow – Protect 	Capacity limit: • indoors: 30% capacity • outdoors: 100 people	Capacity limit: • indoors: 50 people • outdoors: 100 people -Closed by midnight
Orange – Restrict 	Capacity limit: • indoors: 30% capacity • outdoors: 100 people -participant screening (active)*	Capacity limit: • indoors: 50 people • outdoors: 100 people -participant screening (active)* -Closed by 10 p.m.
Red – Control 	Capacity limit: • indoors: 30% capacity • outdoors: 100 people -participant screening (active)*	Capacity limit: • indoors: 5 people • outdoors: 25 people -participant screening (active)* -Closed by 10 p.m.
Grey – Lockdown 	Capacity limit: • indoors: 10 people • outdoors: 10 people • Virtual and drive-in religious services, rites or ceremonies permitted	Closed with limited exceptions

Note 1: Limit is based on the religious service being supervised with people screening those who seek to enter and enforcing the physical distancing and the wearing of masks. Please note: baptisms require the same controls to qualify for this limit; otherwise, the group should be limited to 10 people including the celebrant.

*: **Supervised means** having staff members or volunteers screening those who seek to enter and enforcing the physical distancing and the wearing of masks.

*: **Participant screening means** having a staff member or a volunteer verify that parishioners and those who enter do not have any of the symptoms identified on the posted chart of COVID symptoms.
