

HERE WE ARE DURING THE EASTER TIME !
(Father Fernand Villeseuve)

It is the heart of our Christian faith that we celebrate during this time. Easter is certainly a burst of joy in this time of pandemic.

There were no video cameras near Jesus' tomb on that day! There was also no journalists with their cellular phone to pick up all the sounds on that day! Easter is over the report.

Easter is a feast of faith and joy.

Easter is more than a feast of revival-resurrection as it was for Lazarus who came out of the tomb.

Easter is a resurrection-re-creation by a God who wants the Covenant with us forever.

Our hearts sing because hope is possible...

But what hope is there?

With hope and faith everything is turned over: *death will no longer remain in the tomb* but will lead to eternal life, as Jesus said so well to the Samaritan woman at Jacob's well. **"Whoever drinks the water I give him will become in him a fountain from which eternal life will flow."** In 4,14 *The night will no longer be dark and closed forever*, but the light will shine by showing us a new horizon. **"I am the light" says Jesus, who follows me does not walk in darkness** » In 8:12.

Our life will not end in a dead end but will turn towards a future of incredible relationship with the One who is Life and Happiness.

The Easter lilies raise their trumpet-shaped horns to shout loudly on this special day:

HALLELUIA! HALLELUIA! JESUS IS ALIVE!

FAITH IS NOT SELF-EVIDENT

The readings of this second Sunday of Easter show how the disciples, especially Thomas, came to believe and how faith in the resurrection transformed the lives of the early Christians.

A turning point in the life of the disciples.

Thomas is away that night. Suddenly, while the doors are locked, Jesus stands among them and sends them a greeting of peace. Immediately they catch their breath. Animated and renewed from within by the Spirit, they are henceforth empowered for the mission.

A turning point in the life of the first community.

To believe in the resurrection is to adopt a way of life enlightened by the message of Christ, as depicted in the first reading.

A turning point in the life of our communities.

Our Christian communities still need to receive this inner breath which makes them new, recreates them and makes them responsible for the mission. In this way it can bring together committed and dynamic missionary disciples, beyond their doubts, fears and closed doors.

FOR YOUR INFORMATION

1 – Bill C-7: Assisted dying in Canada (MAID)

The Federal Government has expanded assisted dying in Canada. Bill C-7 means expanded access to euthanasia and assisted suicide to the disabled and eventually to those with mental illness and those who have an advance directive. Many Canadians are alarmed by the implications of Bill C-7

Many healthcare professionals have moral convictions that do not allow them to participate in assisted dying. They are being pushed out of their professions by provincial health regulators. No one should be forced against their conscience, for example, by making an effective recommendation, to end the lives of patients.

We are invited to ask that legislation be introduced to protect the conscience rights of health workers. Can you do something about that?

2 – Feast of Saint Kateri Tekakwitha

This celebration will take place on April 17. We know that she is an Aboriginal saint and that she is a model for all of us.

3 – World Day of Prayer for Vocations

April 25, the Fourth Sunday of Easter (Good Shepherd's Sunday), is the Annual World Day of Prayer for Priestly Vocations. We will return to this topic in future parish bulletins.
